Description
Easy access to the beach, cafés and restaurants within walking distance, and a communal pool for long summer afternoons: this coastal apartment in Mazotos brings the relaxed side of Larnaca life within reach. Set on the ground floor of a residential complex built in 2009, it is a home that is easy to run and easy to enjoy.

Inside, an open-plan kitchen, dining and living area forms the heart of the home, with two bedrooms and a bathroom arranged around it. The veranda gives you somewhere to eat outdoors, read in the evening air or simply step out after a swim. The apartment is vacant, so it can suit year-round residence or seasonal use.

Mazotos keeps the character of a real village, with its centre and the beach both easy to reach. Schools, a medical centre, supermarkets and shops are a drive away, and the motorway puts Larnaca, Limassol and Larnaca International Airport within comfortable reach. A pool without the upkeep, the sea close by and a practical layout make this apartment a comfortable base by the Cyprus coast.
