For Sale : **€ 0**

Description
An agricultural field for sale in Foini, set in an open countryside setting in the Limassol hills. The land covers 8362 m² and is zoned for agricultural use, giving a generous area for farming or planting. It would also make a practical addition to an existing agricultural holding nearby. The centre of Foini is a short drive away, as are the villages of Kato Platres and Mandria and a petrol station, while the main roads are a drive away. This is a well-proportioned piece of agricultural land in the Cypriot countryside.
