Description
This field for sale in Kato Pyrgos offers 4,348 m² of agricultural land in an open countryside setting in the Nicosia district. The ground is sloping and irregular in shape, and the field has direct road access. The village centre is a short drive away, as are the neighbouring villages of Pano Pyrgos and Pigenia, and a petrol station is also close by. The land is zoned for agricultural use, so it can be farmed or planted. It is a versatile piece of farmland with its own road access on the edge of Kato Pyrgos.
