For Sale : **€ 10,000**

Description
Farmland in Pissouri, Limassol: a field of 16,723 m² in an open countryside setting. It is a short drive from the village centre, petrol stations and the Limassol–Paphos motorway, with the village of Alektora a little further away. The ground is sloping and irregular in shape, and a stream runs through the parcel, dividing it into two parts. The field is zoned for agricultural use, which suits farming or planting, and it could be a practical addition to nearby agricultural land. This sale is for a one-third share of the field. It is a sizeable piece of the Pissouri countryside, with a stream crossing its slopes.
