Description
A field on the market in Pelendri, Cyprus, in an open countryside setting among the village's farmland. The plot covers 2620 m² of agricultural land with a sloping surface and an irregular shape, suited to planting or cultivation. The neighbouring villages of Amiantos and Kardamas are a short drive away, petrol stations are close by, and the Limassol–Saittas road serves the wider region. The field has no direct road access of its own. This sale is for a half share of the land. A versatile piece of agricultural land in the Pelendri countryside.
