For Sale : **€ 3,000**

Description
In Deryneia, within walking distance of Paralimni Lake, this industrial field gives a practical footing for business in the Famagusta district. The town of Paralimni and its centre are a short drive away, so everyday services and a lively local economy are never far off.

The land covers 1,452 m² and has a regular shape and an even surface. Its outline is simple to read and easy to plan around. It also abuts a registered road and has direct road access, a no-nonsense advantage for any business that relies on vehicles and deliveries.

Industrial zoning sets the general use of the land for business, so its direction is clear from the start. The sale covers a 1/9 share of the field.

Level ground, a tidy outline and its own road access, with the lake close by and Paralimni a short drive away.
