For Sale : **€ 2,000**

Description
Right beside Paralimni Lake, this field in Deryneia sits where open water and natural landscape meet the edge of everyday town life. It is a setting with a real sense of space and nature on the doorstep. The land lies in an industrial zone and covers 806 m² of level ground. Its shape is irregular, and it has direct road access along one side, so reaching the land itself is straightforward. Its planning permit states that the plot is to be turned into a green area. Beyond the lake, Paralimni and its town centre are a short drive away, with shops, cafés, schools and everyday services all within easy reach. Sotira is close by too, and the wider Famagusta district opens up from here. The sale is for a 1/9 share of the field. A level piece of land with its own road frontage, set right beside the lake, in the familiar surroundings of Deryneia.
