For Sale : **€ 34,000**

Description
Right beside Paralimni Lake, on the edge of Deryneia, this sizeable field of 7,733 m² combines a natural setting with an industrial zoning that gives it a clear purpose for business. The lake brings an open, green character to the surroundings, while the land itself is ready to be read as a working site.

The ground is level and the field has a long frontage directly onto a road, so access is straightforward. Under its planning permit, the field is set to be divided into plots, which gives a defined outline for how the land can take shape.

Paralimni and its town centre are a short drive away, along with the everyday services of a busy local area, and the village of Sotira is within easy reach as well. Main roads lie close by, connecting the area to the wider region.

The sale is for a 2/9 share of the field. Level ground, road frontage and Paralimni Lake right next door make this an industrial setting with a calm natural backdrop.
