For Sale : **€ 15,000**

Description
In Deryneia, with Paralimni Lake within walking distance and the town of Paralimni a short drive away, this industrial field sits in a setting where nature and everyday convenience meet. Main roads are also a short drive away, linking the land with the wider Famagusta district.

The land covers 6,677 m² in a regular shape with an even surface. It has direct road access, with a long frontage along two of its boundaries. Planning permission is in place to divide it into six plots.

Its industrial zoning points to business use, offering a sizeable, practical base close to Paralimni and the villages around it. A level, well-shaped field with such generous frontage makes a clear starting point for plans.

The sale is for a 1/9 share of the field. Level ground, road on two sides and the lake a walk away give this corner of Deryneia a lasting appeal.
