Description
Set in open countryside outside Silikou in the Limassol district, this agricultural field covers 1180 m² of sloping ground. The land has an irregular shape, and its agricultural zoning makes it suitable for planting or cultivation.

The village centre is a short drive away, as are the neighbouring villages of Lofou and Kilani. Main roads are within a drive, and the Limassol - Paphos Motorway lies in the wider region. The field has no direct road access. It is an uncomplicated rural land purchase: a modest, sloping piece of farmland in the Silikou countryside.
