A 604 m² agricultural field in open countryside
near Agridia...

For Sale : **€ 800**

Description
A 604 m² agricultural field in open countryside near Agridia, a hill village in the Limassol district with Dymes and Kyperounta both a short drive away. The land has an irregular shape and a sloping surface. It lies outside the village's residential area, in a landscape-led setting away from dense development.

The field has no direct road access. The village centre is a short drive away, and petrol stations and main roads are within reach by car. This is a modest, uncomplicated parcel of rural land in Agridia's countryside.
