Description
Set within the established community of Episkopi, this residential field in Episkopi offers a generous, level stretch of land in a well-connected corner of the Limassol district. Its rectangular shape and even surface make it simple to picture a future home here, with direct road access along its boundary.

Everyday life is well catered for. Schools, supermarkets, shops, restaurants and cafés are a short drive away, along with sports venues, a park and the town centre. The neighbouring villages of Erimi and Kantou are close by, and the Kourka nature spot offers green surroundings for a weekend walk. The Limassol to Paphos motorway is within walking distance, so the city and the coast are easy to reach.

The zoning is residential, giving the land a clear and uncomplicated purpose: a place to settle into a relaxed island lifestyle with the convenience of town close at hand. This sale is for a half share of the field.

Level ground, a residential setting and swift connections across the island make this a versatile and appealing spot in Episkopi.
