For Sale : **€ 80,000**

Description
A field of 10,153 m² on the edge of Maroni, set in open countryside in the Larnaca district. The ground is even, which makes it straightforward to work, and the land has direct road access. Its irregular shape still leaves generous room for planting, grazing or simply holding land in a non-urban setting.

The village centre of Maroni is a short drive away, as are Psematismenos and Agios Theodoros, with petrol stations and main roads close by. The motorway linking Larnaca, Limassol and Nicosia is within easy reach, so getting to and from the field is simple. This is a sizeable, level piece of agricultural land with direct road access.
