Description
For sale: a field in Steni, set in the open countryside of the Paphos district. At 27,425 m², this is a generous area of agricultural land. Its surface is almost even and its shape is irregular, and it lends itself to cultivation or planting.

The Steni village centre is a short drive away, as are the neighbouring villages of Karamoullides and Agios Isidoros. Petrol stations are also within easy reach. The parcel has no direct road access of its own. This is a sizeable, near-level field in a farming area of the Paphos countryside.
