For Sale : **€ 105,000**

Description
Schools, restaurants and cafés sit right beside this detached single-storey house in Ap Petros and Pavlos, a convenient residential neighbourhood of Limassol, Cyprus. It is a home with your own front door and an independence that apartment living rarely offers.

Inside, around 180 m² of living space is arranged on one level. The house stands on a generous 358 m² plot with direct road access. Built in 1972, it is in moderate condition, and its practical single-floor layout gives you a sound base to shape to your own taste over time.

Everyday life here is straightforward. Supermarkets, shops, a petrol station and public service offices are within walking distance. Medical centres, pharmacies, parks and sports venues are a short drive away. Main roads close by make the city centre, the bus stations and neighbouring Mesa Geitonia easy to reach.

This sale is for a half share of the house. What it offers is a detached home on its own plot, with the convenience of city living in Limassol all around it.
