For Sale : **€ 30,000**

Description
Covering 31,773 m² of open countryside, this enclosed agricultural field in Choirokoitia offers a generous area for farming, planting or keeping as land. The ground slopes and follows an irregular outline, in a landscape-led setting away from dense urban development.

The Choirokoitia village centre and neighbouring Tochni are a short drive away, as are petrol stations and the Nicosia–Limassol Motorway, so the field is easy to reach from across Larnaca district. It is a sizeable, enclosed piece of agricultural land in the Cypriot countryside.
