Description
A short drive from the centre of Agia Marina Xyliatou, this agricultural field covers 9,365 m² of even ground with direct road access along one side. Its shape is irregular. About half of the land lies in an agricultural zone and about half in a residential zone. It sits a short distance from the main road and has good access to the neighbouring villages, with Xyliatos and Kato Moni a short drive away. The land is currently occupied. A sizeable field of even ground with its own road frontage.
