Description
A generous field in Politiko, Nicosia, covering 56,849 m² of agricultural land on gently sloping ground. Its irregular shape follows the open countryside of the area, and the land has direct road access. Some old structures that are no longer in economic use stand on the field. The village centre and the nearby villages of Filani and Kampia are a short drive away, with petrol stations close by. The Nicosia–Limassol Motorway and the Lefkosia South Orbital Motorway are within a drive. A large piece of farmland, zoned for agricultural use, close to the village of Politiko.
