Description
A level field of 5930 m² in the countryside around Liopetri, this agricultural land is listed as a livestock field and sits in an open rural setting away from dense development. Its almost rectangular shape and even surface make it a practical, well-proportioned plot to work. The villages of Avgorou and Frenaros are a short drive away, as are petrol stations and the village centre. Main roads and the Larnaca – Agia Napa Motorway are within a drive. This is a straightforward agricultural field with level ground and a usable shape.
