Description
Everyday life is easy from this two-bedroom apartment in Agios Antonios, Nicosia. Supermarkets, shops, restaurants and cafés sit right on the doorstep, while schools, pharmacies, medical centres and green parks are all within walking distance. Main roads run close by, giving straightforward access to the city centre and the motorway, and Strovolos is only a short drive away.

Inside, the layout is practical and well-arranged. An open-plan living and dining area forms the heart of the home, with a separate kitchen that keeps cooking apart from relaxing. Two bedrooms and a bathroom complete the accommodation. Two covered verandas give you a pleasant spot for morning coffee or a quiet evening outdoors. A private parking space in the basement saves the daily search for a spot on the street.

This is unpretentious city living that works for busy weekdays and relaxed weekends alike. Best of all, the historic streets of Nicosia within the walls are within walking distance, so the cafés, culture and character of the old town become part of your neighbourhood in Agios Antonios.
