Description
Set in open countryside a short drive from the centre of Pedoulas, this agricultural field covers 4,070 m² of sloping ground with an irregular outline. It has direct road access. The neighbouring villages of Moutoullas and Lemithou and a petrol station are also a short drive away, and the main roads are a little further on.

The land is zoned for agricultural use and suits planting, farming or simply holding a piece of the Cypriot countryside. It is an uncomplicated rural land purchase in a non-urban setting. This is a versatile piece of farmland in the Pedoulas countryside, reached directly by road.
