For Sale : **€ 4,000**

Description
A level, regularly shaped agricultural field in Apostolos Loukas, Aradippou, set in open countryside. The whole field measures 2174 m², and its even surface makes it straightforward to work for planting or general farming use.

The land lies in the wider Aradippou area, a short drive from the villages of Koshi, Avdellero and Kalo Chorio, with petrol stations within easy reach. The field has no direct road access. This sale is for a one-quarter share of the field. It is a simple piece of farmland with flat, even ground.
