Set in the suburban neighbourhood of Agios Georgios, Latsia,...

For Sale : **€ 40,000**

Description
Set in the suburban neighbourhood of Agios Georgios, Latsia, this residential field lies within an established suburb with a real neighbourhood feel, where everyday life is close at hand. Schools are within walking distance, and supermarkets, cafés, restaurants, parks and a pharmacy are all a short drive away.

The land covers a generous 3800 m² with a gently sloping surface, and it has direct road access. Its residential zoning points naturally to a home, in a part of Nicosia district where town conveniences sit comfortably alongside open space.

Getting around is simple. The main motorway between Nicosia and Limassol is within walking distance, keeping both cities within easy reach, while neighbouring Lakatameia, sports venues and bus stations are only a short drive away.

This sale is for a one-ninth share of the land. What stays in the mind is the balance: a residential setting in Latsia, with schools around the corner and the motorway almost on the doorstep.
