For Sale : **€ 159,000**

Description
For Sale | Rectangular Residential Plot of 588 m² with 18-Metre Frontage – Ka6 Zone, Nicosia
A rectangular residential plot of 588 m² is available for sale in Nicosia District, offering an attractive opportunity for individuals, families and investors seeking residential land with significant development potential.
The property features a regular rectangular shape and a frontage of approximately 18 metres along a registered road, providing convenient access and flexibility in architectural planning. Its practical configuration makes it an appealing option for the construction of a spacious private residence or another residential development, subject to the necessary planning approvals.
The plot falls entirely within the Ka6 residential planning zone (100%), with a building density coefficient of 90% and a coverage ratio of 50%.
Based on its total area of 588 m², these coefficients correspond to an indicative maximum buildable floor area of approximately 529.20 m² and an indicative maximum ground coverage of approximately 294 m². These figures are theoretical and remain subject to applicable planning regulations and the necessary approvals.
The combination of its 588 m² land area, rectangular configuration, 18-metre frontage and registered road access offers flexibility in designing a residential property with comfortable living spaces and functional outdoor areas.
The plot is situated within the wider Nicosia District, with access to established residential communities and everyday amenities such as schools, supermarkets, pharmacies and shops.
Points of interest in the wider area include Lakatamia | Anthoupoli | Nicosia Mall | Strovolos | Nicosia City Centre.
Combining its regular rectangular shape, generous frontage, registered road access and Ka6 residential zoning, the property represents an appealing opportunity for buyers and investors seeking residential land with development potential in Nicosia.
