Description
A sizeable agricultural field of 15469 m² in Kalo Chorio, set in an open countryside setting within Limassol District. The ground slopes and the shape is irregular. The land has direct road access, so it is easy to reach for farm work and machinery.

The area around it is rural, with natural surroundings. The villages of Agios Konstantinos, Agios Pavlos and Louvaras are a short drive away, and main roads and a petrol station are within driving distance. The Limassol–Paphos Motorway lies in the wider region. This is a versatile piece of agricultural land in the Kalo Chorio countryside, suited to farming or planting.
