For Sale : **€ 30,000**

Description
High on a hillside in one of Limassol's most settled residential quarters, this field for sale in Panthea, Mesa Geitonia offers a share of generous land in a quiet neighbourhood. The surroundings are a mix of open residential plots and well-built detached houses, giving the area a calm, unhurried character. Parks and green spaces are within walking distance.

The land is zoned for residential use and covers 11033 m² in total, with a partly level and partly sloping surface that follows the lie of the hill. It is an uncomplicated holding in a neighbourhood shaped by space and low-rise homes.

Everyday convenience is close at hand. Supermarkets, cafés, restaurants, pharmacies and medical centres are a short drive away, as are Agios Athanasios, the town centre and the motorway. The beaches, Limassol Marina and the Old Port are a drive away, and Paphos International Airport is about 50 km.

This sale is for a one-sixteenth share of the land. What it offers is a stake in a quiet, green corner of Panthea, high above the city and close to all that Limassol life brings.
