For Sale : **€ 8,500**

Description
An agricultural field in Pigenia, a village in the Nicosia district, set in an open countryside setting. The land lies away from dense urban development and suits farming or planting under its agricultural zoning. It has an irregular shape and a sloping surface. The village centre is a short drive away, and so are the neighbouring villages of Pano Pyrgos and Agios Theodoros Tillirias, with a petrol station also close by.

This sale is for a five-eighteenths share of the field. It is a versatile piece of Cypriot farmland, ready for cultivation or simply to hold as agricultural land.
