For Sale : **€ 26,000**

Description
Authentic Cypriot village life sets the tone for this residential field in Chandria, in the Limassol countryside, where the pace is slower and the community close-knit. The land sits on a gentle incline with an irregular, natural shape, giving it a landscape-led feel rather than a suburban one. Its residential zoning points to a home of your own here, surrounded by quieter village life.

Everyday needs are a short drive away. The village centre, cafés and restaurants, supermarkets, schools, a medical centre and pharmacy are all close by, along with parks and a sports venue. The neighbouring villages of Kyperounta and Agridia are also a short drive away, and the main roads are within easy reach when you head further afield. The land has direct road access.

This sale is for a half share of the field.

What stays with you is the setting: a sloping residential field in a place with a strong local identity, offering an honest alternative to city or resort living.
