Description
A garden shaded by trees, a swimming pool and a barbecue area for long, sociable evenings outdoors: this two-storey house in Archangelos Anthoupoli, Lakatameia sits in a popular, settled residential area with parks and green spaces within walking distance.

Inside, the ground floor opens into a generous living and dining space, with a kitchen that flows into its own sitting area, plus a laundry room and a guest toilet. Upstairs are four bedrooms, the main one en-suite, and a family bathroom. A large basement adds a shower room, storage and parking, and the house has been well kept.

Everyday life is easy from here. Schools, supermarkets, medical centres, cafés and restaurants are a short drive away, as is Nicosia Mall, while the motorway is close by for quick journeys into the capital. Strovolos and the town centre are within easy reach too.

But it is the outdoor space that stays with you: covered and open verandas, mature trees and a pool, making this Lakatameia home a comfortable base for relaxed Mediterranean family living, all year round.
