For Sale : **€ 151,000**

Description
Village life, open landscape and everyday convenience come together on this generous field for sale in Pera, set within residential land on the edge of a welcoming Nicosia community. With 5017 m² to work with, there is real room to think big.

Schools sit right next door, and supermarkets and shops are within walking distance. The village centre, cafés, restaurants and a park are a short drive away, as are neighbouring Politiko and Episkopeio. Main roads and motorway links are a drive away, keeping Nicosia within easy reach.

The land has direct road access and a sloping, irregular shape that gives it natural character. It can be developed as a single property or divided into separate plots, so the plans can be as personal or as ambitious as you like.

For anyone drawn to authentic Cypriot village life, the setting speaks for itself. Pera offers a slower pace and a close-knit feel, with the green calm of Tamasos Lake only a short drive away.
