Description
Everyday life comes easily in this suburban apartment in Agios Dimitrios, Strovolos. Schools, restaurants and cafés sit right on the doorstep, while supermarkets, shops, pharmacies and medical centres are all within walking distance. Set in a central part of the district, the home also has easy access to the motorway and main roads, so the rest of Nicosia is never far away.

On the fourth floor of a five-storey building, the apartment has a practical layout built around an open-plan living and dining room with a separate kitchen. Two bedrooms and a shower room complete the accommodation. A covered veranda gives you a spot outdoors for morning coffee or a relaxed evening.

A private parking space on the ground floor adds to the convenience. Sports venues are close by, and parks and green spaces are a short drive away, so staying active fits naturally into the week.
