Description
Authentic Cypriot village life sets the tone for this residential field for sale in Klirou, a welcoming community in the Nicosia district. Schools are within walking distance. The village centre, supermarkets, shops, restaurants and cafés are only a short drive away, so everyday needs stay comfortably close.

The land measures 744 m² and has a flat surface, which makes it straightforward to picture a future layout. Its residential zoning points naturally towards a family home set within the life of the village.

The neighbouring villages of Malounta and Kalo Chorio Oreinis are a short drive away. So is the nature spot of Perátis, with green space for walks and weekends outdoors, and Korakas lies a little further on. Bus stations are close by, and main roads and motorway junctions are within a drive for trips across the wider district.

A level plot of residential land, with schools on foot and the traditional charm of village life all around it, offers a home in Klirou with everything it needs nearby.
