For Sale : **€ 23,000**

Description
A sloping field in Kampia, set in open countryside within the village's farming land. It covers 11,706 m² of agricultural ground, a generous area for planting, cultivation or adding to an existing rural holding. The ground is inclined and irregular in shape, and the field is reached by an existing access road.

The centre of Kampia is a short drive away, as are the neighbouring villages of Kapedes and Politiko. Main roads and petrol stations are within a drive, with the motorways linking Nicosia and Limassol also within reach. This is a substantial piece of Kampia farmland in an open rural setting.
