For Sale : **€ 250**

Description
Out in the open countryside around Kampos, this field of 911 m² lies on sloping ground with an irregular, natural outline. A rainwater stream runs along two of its sides, and it also borders state land, giving it a landscape-led setting away from dense urban development.

The village centre of Kampos is a short drive away, with Tsakistra also close by and Frodisia a little further on. This sale is for a one-quarter share of the field. It is a plain, uncomplicated piece of rural land, shaped by its slope and the streams that frame it.
