For Sale : **€ 50,000**

Description
Cafés and restaurants within walking distance, with authentic village surroundings all around. This residential plot listed in Lythrodontas lays the groundwork for a home built to your own specification.

At 855 m², the land is generous, regular in shape and level. That keeps your design choices wide open, whether you picture a contemporary house or something more traditional. The plot has direct road access, and its residential zoning points clearly towards a private family home. You choose the layout, the materials and the finish from the very first sketch.

Everyday needs are simple to meet. A supermarket, a petrol station, parks and a public service office are a short drive away, as are the neighbouring villages of Mathiatis and Kataliontas. Schools and bus stations lie a drive away. The motorways towards Nicosia, Limassol and Larnaca are also within reach, keeping the wider island well connected.

It offers the slower pace of Cypriot village life, with a level, well-proportioned canvas in Lythrodontas waiting for the home you have in mind.
