

For Sale, Land, Field, Nicosia, Lythrodontas, 2,342m²

Authentic Cypriot village life sets the tone for this field...

For Sale : **€ 14,000**

Description
Authentic Cypriot village life sets the tone for this field of residential land in Lythrodontas, a community where a slower pace and a strong local identity still shape everyday life. The plot extends to 2342 m², with an almost regular shape and a sloping surface that follows the lie of the land around it.

The residential zoning points to a family home in a relaxed rural setting, away from dense urban development. Daily needs are well covered. The village centre, a supermarket, restaurants and cafés, parks and green spaces are all a short drive away, as is neighbouring Mathiatis. Schools and bus stations are within a drive, and the motorway linking Nicosia and Limassol keeps both cities comfortably within reach.

This sale is for a one-quarter share of the land.

An uncomplicated piece of residential land with village charm all around and the main roads of the island close at hand.
