For Sale : **€ 1,100**

**Description**
Galata offers authentic Cypriot village life, with Troodos National Forest Park and the neighbouring village of Kakopetria both a short drive away. Pine-covered hills, walking trails and green spaces sit close at hand, while restaurants, cafés and the village centre are near enough for an unhurried coffee or a long Sunday lunch.

This small residential field in Galata has a sloping, irregular shape that follows the natural lie of the land. Its residential zoning gives it a clear general use, set in a landscape away from dense urban development and rooted in a place with a strong local identity.

Everyday needs are within reach. Petrol stations, public service offices and main roads are a short drive away, with a school, a supermarket, a medical centre and a bus station a little further on. This sale is for a half share of the field.

For anyone drawn to the mountain villages of Nicosia district, this is a foothold in Galata, with the forests of Troodos almost on the doorstep.
