For Sale : **€ 2,250**

Description
This field in Kampos covers 16,723 m² of agricultural land in an open countryside setting in Nicosia district. The ground is sloping and irregular in shape, and its agricultural zoning makes it suited to farming or planting.

The village centre is a short drive away, with the village of Tsakistra also close by and Frodisia within reach. The field has no direct road access. This sale is for a one-third share of the field.

It is a sizeable stretch of sloping farmland in a landscape away from dense development.
