Agricultural land in Fikardou: a field of 3011 m² in an open countryside setting in the Nicosia district. The ground slopes and is irregular in shape, and its agricultural zoning suits farming or planting. The field has no direct road access. The villages of Kalo Chorio Oreinis, Klirou and Politiko are a short drive away, as is a petrol station, and the main roads are a drive away. The Nicosia–Limassol motorway lies within reach in the wider region. This is a versatile piece of farmland in Fikardou, with 3011 m² of ground to work.
