Description
A field for sale in Kampos, set in an open countryside setting in the Nicosia district. The whole field covers 4,014 m² of agricultural land, with an irregular shape and sloping ground. Its agricultural zoning suits farming and planting. The village centre is a short drive away, and neighbouring Tsakistra is also a short drive away. The field has no direct road access. This sale is for a one-third share of the field. It is a versatile piece of open farmland in the Kampos countryside.
