For Sale : **€ 550**

Description
A compact Cyprus field in Kalopanagiotis, set in open countryside outside the village. It covers 521 m² of agricultural land with a sloping surface and an irregular shape, suited to modest farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Oikos and Moutoullas. Petrol stations are close by, and the main roads are a drive away. The land has no direct road access. This is a small, uncomplicated piece of farmland in the hills of this Nicosia district community.
