For Sale : **€ 2,500**

Description
Set in the open countryside of Fikardou in the Nicosia district, this agricultural field covers 2007 m², in a rural setting away from dense development. The ground is sloping and irregular in shape, and its agricultural zoning suits farming or planting.

The village centre and a petrol station are a short drive away, as are the neighbouring villages of Kalo Chorio Oreinis and Politiko. The main roads and the Nicosia–Limassol motorway lie further out in the wider region. The field has no direct road access. It is a straightforward piece of agricultural land in the Fikardou countryside.
