Description
A field on the market in Platanistasa, Cyprus, set in open countryside away from dense urban development. The land covers 1450 m² and has an irregular shape with a sloping surface. It lies outside the village, a short drive from the centre of Platanistasa and from the neighbouring villages of Fterikoudi and Xyliatos. The main roads and the Astromeritis–Evrychou motorway are a drive away. The field has no direct road access of its own. This is an uncomplicated piece of rural land in the countryside of the Platanistasa area.
