Description
This field for sale in Ergates, Cyprus, offers 27035 m² of agricultural land in an open countryside setting. It is set aside as a livestock field, so it suits livestock farming. The ground slopes and the outline is irregular.

The land lies next to the village of Agioi Trimithias. Paliometocho and Agios Ioannis are a short drive away, and the motorway network is within reach. The field has no direct road access. This is a sizeable stretch of Ergates farmland with plenty of room for livestock.
