Village life, a communal pool and the sea within
easy reach:...

For Sale : **€ 130,000**

Description
Village life, a communal pool and the sea within easy reach: this ground-floor Cyprus apartment in Tersefanou brings all three together. Supermarkets, cafés and restaurants are a short drive away, as are the village centre, a school and a medical centre, so everyday errands stay simple.

Inside, the living room, kitchen and dining area share one open-plan space that flows into a comfortable bedroom and a bathroom. Outside, a covered veranda gives you shade for long Cyprus evenings, with a small uncovered veranda and a private yard alongside it for morning coffee or a few potted plants. It is a home that is easy to run and easy to enjoy.

The development adds a communal swimming pool, a tennis court and changing rooms, so summers are sorted without the upkeep. Beyond the gate, the beaches of Pervolia, the calm of Kiti Reservoir and the Byzantine church of Panagia Angeloktisti are all close by. The Larnaca–Limassol motorway and Larnaca International Airport are a short drive away too.

Tersefanou offers a slower pace, with the coast and the wider island always within easy reach.
