For Sale : **€ 274,000**

Description
With the Larnaca Salt Lake close by and restaurants and cafés within walking distance, this semi-detached house in Vlachos, Aradippou sits in a settled residential area on the edge of Larnaca. Built in 2012, it spreads across two storeys and a loft, giving a household real room to live.

Downstairs, a lounge, a separate sitting room, a kitchen and a dining area create comfortable everyday spaces. Upstairs are four bedrooms with a bathroom and a shower room. The loft adds a fifth bedroom, an office and its own shower room, a flexible arrangement for guests or working from home. Air conditioning keeps the summer months comfortable.

Outside, a fenced courtyard, covered parking and verandas offer space for meals and evenings in the open air, and the house has direct road access. Schools, supermarkets, Larnaca General Hospital and the airport are all a short drive away, as is the historic Kamares Aqueduct.

This sale is for a half share of the property. Five bedrooms, generous living space and the Salt Lake and Larnaca right on the doorstep make this a home to put down roots in.
