Description
Cafés, restaurants and supermarkets sit right beside this detached family house in Agioi Anargyroi II, with schools within walking distance and the Antonis Papadopoulos Stadium next door. Everyday Larnaca life starts at the front gate.

Inside, an entrance hall opens onto a living room and a separate sitting room, so the household has two places to gather or unwind. The kitchen has its own small dining area for easy family meals, and there are three bedrooms, a bathroom and a separate toilet. Air conditioning is fitted.

Outside, a fenced courtyard and verandas, some covered and some open, give room for a morning coffee or an evening meal in the open air. A ramp leads down to a covered underground car park, keeping the car sheltered and the courtyard free for living.

A detached home with its own courtyard, its own parking and the neighbourhood's shops on the doorstep, set within Larnaca.
