Description
Set among the hill villages of the Paphos countryside, this field in Ineia offers 3,679 m² of land in a setting shaped by traditional village life and open landscape. Parks and green spaces lie within walking distance. The village centre, cafés, restaurants and everyday shops are a short drive away.

The land has an irregular outline and a sloping surface, giving it a natural, landscape-led character. Its touristic zoning points towards tourist use, in a part of the island where a slower pace and a close-knit community are still part of daily life.

The neighbouring villages of Drouseia, Fasli and Androlikou add to the feel of an authentic rural corner of Cyprus. The coastline, including Toxeftra beach, is within a drive, and Paphos International Airport is about 30 km away.

A generous piece of the authentic side of Cyprus, with village life close by and the sea within reach.
