Description
Village life in Tersefanou sets the tone here. Restaurants and cafés lie within walking distance, so an easy evening out or a morning coffee is part of everyday life rather than a trip.

The land covers 928 m² of residential ground with an irregular shape and a sloping surface. It has direct road access along one side, and its residential zoning gives room for a home of your own within the life of the village.

Beyond the village streets, the wider area invites exploring. Kiti Reservoir and the heritage site of Panagia Aggeloktisti are both a short drive away, ready for a weekend walk or an unhurried afternoon. Larnaca International Airport is a drive away, which keeps travel simple.

A calm village setting, local comforts close at hand and a piece of land on which to shape a home around your own plans.
