Description
In Kathikas, village life is right on the doorstep of this residential land. Restaurants and cafés sit right beside it, and the village centre, the local shops and the Panagia Evangelistria Church are all within an easy stroll. It is a setting where everyday errands and a coffee with neighbours need no car at all.

The land covers 1,673 m² and has a regular shape with a sloping surface. A generous frontage on a public road gives it direct road access. Its residential zoning offers room for a home within a lively village community rather than on its edges.

Picture a morning that begins with a coffee at one of the cafés beside the land, and an afternoon walk to the shops for the day's supplies. When the coast calls, the beaches at Coral Bay and Toxeftra are a drive away, and Peyia is a short drive. Paphos International Airport lies about 20 km away.

Kathikas offers village living close at hand, with the sea within reach whenever you want it.
